

MORE GREAT TITLES

SOCCER KID

A cup collecting alien has stolen the World Cup trophy. Then the careless thing collides with a passing asteroid and the top trophy has been smashed into five pieces which are now scattered around the globe. It is the task of the football crazy Soccer Kid to pick up the pieces.

RAYMAN

Rayman from Ubisoft features the most stunning cartoon animation ever seen on a console. Brilliantly drawn with frame after charming frame of humorous activity, with some of the funniest obstacles you have ever come across makes this a platform game to savour.

FLASHBACK

From US Gold comes one of the PC's favourite platformers, using the power of Jaguar to move the wonderfully animated central character at great pace and to show some superb mid-screen animatics. Flashback has all the playability and addiction of the original and more...

SENSIBLE SOCCER

Voted by almost every magazine in Europe as the most playable soccer game around, Sensible now bring their great game to the Jaguar. With graphical enhancements throughout the set up sequence, Sensible takes on a whole new look, whilst keeping the great action sequences and playability that has set it apart.

GAMES

JAGUAR

ATARI

THE WORLD'S FIRST 64-BIT GAMES

CHANGING THE FACE

CYBERMORPH

Bundled with the Jaguar system, Cybermorph is the first ever 64-bit game, featuring a real 3D 360 degree universe filled with over 80 planets to explore. An expert mix of strategy and space war with a freedom of movement never experienced before.

CRESCENT GALAXY

Truly exceptional rendered graphics set Crescent Galaxy apart from all other shoot 'em ups. It features numerous superbly raytraced baddies, who not only set your eyes popping at their visual supremacy, but also stretch your trigger finger to it's limits.

RAIDEN

Top coin-op shoot 'em up action, taken from Tengen's all time favourite blaster, Raiden shows how Jaguar can take a powerful coin operated game and improve upon it. Look, no slowdown when the screen is full of baddies to blast. Pure speed & action.

DINO DUDES

A real gameplaying treat, level after level of complex challenges, offered by the cutest little Neanderthal's you have ever met. Guide the prehistoric dudes through some complex challenges, such as discovering the Spear and Fire.

TEMPEST 2000

Described by Gamesmaster magazine as "the game of the decade" and awarded 97%, Jeff Minter's Tempest 2000 is an interactive rave of a game, featuring superb CD soundtrack, mindblowing graphics and a speed and complexity of gameplay never experienced before. Tempest 2000 has received accolades wherever it has been seen, including the "Game of the Show" award at the huge Consumer Electronics Show in the USA. Only real gamers need apply!

"2K by itself is worth the price of the Jaguar. ... (it is) ... further proof that the next level of gaming has arrived" *Di Hard Game Fan Magazine - USA*

WOLFENSTEIN 3D

Voted the game of the year by the industry in it's PC version, the developers id Software have stated in Edge Magazine that the Jaguar version is superior to even that. Take up the Nazi challenge in Castle Wolfenstein. Take on the army of the Third Reich troopers, through Gestapo to the feared SS and even mutant Zombies on whom the Nazis have been experimenting. Not for the squeamish.

"The Jaguar version of Wolfie is fast, frantic and bloody fantastic" *Gamesmaster Magazine - UK*

ALIEN VS PREDATOR

Alien Vs Predator is set to change the face of videogaming. It features filmlike graphics that really make you believe you are there, mixed with a lifelike interactivity that has never before been encountered with graphics of this kind and produces the most realistic gameplay ever. When this is further combined with superlative CD music and sound effects, the result is quite astounding and a fourth dimension of gameplay becomes apparent. Fear. Play the game as the Colonial marine or play as the Alien or Predator, each character has an entirely different task, giving three massive games on one cartridge.

"The best action game ever issued on console ... for the first time a console game recreates the tension and atmosphere of a movie" *Console + Magazine - France*

CHECKERED FLAG

THIS IS REAL RACING

Forget Virtual, this is as real as it gets, scream around 10 circuits at unbelievable speed through five different viewpoints in the racing game to beat them all. Choose from the many different choices of set-up on your car and feel the immediate effect of these changes on your joystick. You will quickly get to know your opposition and their various tactics and dirty tricks and you will need to adapt quickly to beat them. You will also need to learn the idiosyncrasies of each track to be able to take each corner at the maximum speed and therefore minimise your time around the circuit. Take the Checkered Flag and discover what real racing is about.

CLUB DRIVE

**WE HAD FUN, FUN, FUN
'TIL DADDY TOOK THE
T-BIRD AWAY**

You've got a brand new car and you want to drive it to the max, take to the streets of San Francisco – lovingly reproduced in a real-world 3D polygon environment, alternately travel through time and race around an old style western town in the late 1800's, or go forward to future world, a huge theme park of a place with traps around every corner. For the ultimate challenge shrink yourself to Matchbox size and whizz around a fully furnished flat (kitty and all). All of these courses can be raced straight, in a collect game, or as a superb two player game of tag. It's the most fun.

KASUMI NINJA

**IT'S A BEAT 'EM UP JIM, BUT
NOT AS WE KNOW IT**

Kasumi Ninja takes all of the great parts of everybody's favourite beat 'em ups, mixes them with a good dose of blood, adds a few surprise elements and KICKS BUTT! This is not a peaceful little kick and punch game, this is a bloodbath of immense proportions. Start the game as a humble Ninja and take on character after character until you reach the big boss. As you move up the ladder to the tougher characters you will have to use the special moves of the characters you have already beaten, so take on their spirit as you go, you will need it. There is also a special surprise in the game.

IRON SOLDIER

**AS TOUGH AS THEY COME,
A REAL KILLING MACHINE**

The Iron Soldier is made for destruction. The player is inside the metal frame of a robotic killing machine, with many different missions to complete and even more deadly weapons in his arsenal to help him. Featuring Gouraud shaded polygon objects, brilliantly texture mapped floors, excellent true colour backgrounds and amazingly rendered enemies, Iron Soldier sets a new standard in gaming graphics combining all of the best elements of new graphics technology, but combines all of this with a speed possible only by 64-bit processing power and a game, so vast and so playable, you won't be able to put it down.

DOOM – The Special Edition

**THE BEST VERSION EVER OF THE WORLD'S FAVOURITE
ROLE PLAYER**

Doom is the role playing game that has set the standard. Played by millions of people around the world on PC, Atari and id Software have developed a version for the Atari Jaguar which puts the others in the shade. More levels, better graphics, smoother scrolling and all of the famous Doom atmosphere all add up to the version of Doom that everybody should play.....and it's on a console. Doom quite simply shows why the Atari Jaguar is the ultimate gamer's machine, this is one that simply cannot be missed.

DRAGON – THE BRUCE LEE STORY

THE ULTIMATE MARTIAL ARTIST

Enter the world of Dragon. A place where the martial arts legend Bruce Lee lived for 32 troublesome years. A place where you will encounter a multitude of the smartest and fiercest opponents ever to be seen in a Jaguar beat 'em up. At your disposal is a devastating array of over 35 different fighting moves. You WILL need them.... Contains three different fighting styles: Mantis, Fighter & Nunchuku. Many secret special moves to discover. Includes film stills beautifully depicted in 16 million colours.

THEME PARK

**THE WILDEST RIDE IN THE
WORLD, AND YOU BUILT IT**

Theme Park is an amazing animated ride into the Carnival world of Corkscrews and Rollercoasters. But not only does it offer you all the fun of the fair, it also gives you most of the stress. You are the Theme Park manager and it ain't all free rides and candyfloss, you must hire and fire the employees, choose the site, build the rides and control every aspect of trying to make maximum profit without neglecting safety. Fantastic 3D rendered graphics and great great playability makes Theme Park the most fun you can have without losing your lunch.

BATTLEZONE 2000

**THE BATTLE GOES FROM
STRENGTH TO STRENGTH**

Battlezone is everybody's all time favourite tank game. For years it has been guzzling coins in every arcade throughout the civilized world. Now, in the style of Tempest 2000, Atari have bought Battlezone into the 21st Century, using the technology only available to Jaguar, Battlezone 2000 rewrites the script with respect to quality and style. You will believe that these tanks are real, the tension you feel when hunting for them is incredible and the sounds will put you right there in the middle of the battle. The first of the 2000 series was described as "The game of the decade", with B2K Atari have done it again.

CANNON FODDER

**THE MOST FUN YOU CAN
HAVE WHILST KILLING
PEOPLE**

Control the crack troops of storm-troopers through numerous different missions. These guys don't mess

around, but then again neither do the enemy, so watch from above as your men sneak around the various terrains, Jungle, Polar icecaps etc and conquer all that is put before them. They cannot succeed in this without your every attention and your commands will lead them to safety or directly into the danger zone, where they will quickly become Cannon Fodder.

SYNDICATE

**IT'S A FUTURISTIC, ATMOSPHERIC, VIOLENT
STRATEGY GAME!**

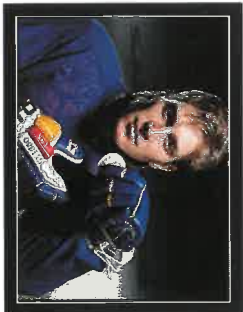

Your Syndicate is aiming to take over the world. Viewing the action from above, you, the young executive must command your Cyborg's via CHIP technology. Construct up to 8 Cyborgs using futuristic parts and weaponry and send them forth, under your control to spread the message through whatever means are necessary. They cannot do anything but obey you and that is how your bosses want the world to feel about them.

SPORTING HEROES

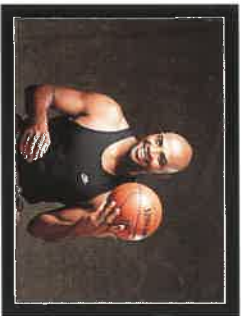

BRETT HULL HOCKEY

Scorching Ice Hockey game featuring one of that sports favourite stars. Brett Hull Hockey is the icing on the cake of Hockey games, with the great graphical quality that only Jaguar can provide and the superb playability that Atari and Accolade are both famous for.

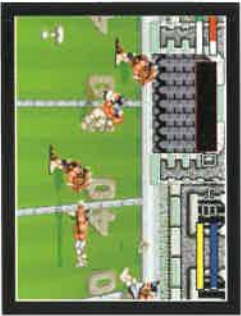

BARKELEY BASKETBALL SHUT UP AND JAM!

The latest star of the Basketball world is here, together with all of the other big names. This is a great simulation of the sweat and activity that goes into the big game of basketball and will give a buzz to all of those who like their sports games tough. They don't come tougher than Charles!

BRUTAL SPORTS FOOTBALL

Telegames present a sport of skill, judgement & death. In this futuristic American football simulation you take on the role of one of a number of violent teams. You can win the game by scoring more goals than the opposition or you can win by behaving them all.

HARDBALL III

The Hardball series has long been established as the best Baseball simulations you can get. Now, with the help of the Jaguar the series has just become even better. Hardball III is the ultimate in baseball games and offers a real challenge. Strike three to all other Baseball simsi!

CD TITLES

CREATURE SHOCK

Argonaut Software's graphically stunning game provides some of the most amazingly rendered monsters you will have ever come across. Set against a dark and atmospheric background, Creature Shock holds no punches graphically or playability wise. This game will amaze you.

DEMOLITION MAN

You are in control of actual live action footage of Stallone as Demolition Man in a game that merges the Warner Bros hit movie and video footage so smoothly, you'll even be talking like him. Uses special footage of Stallone & Wesley Snipes recorded especially for this interactive game.

BLUE LIGHTNING

Amongst Atari fans, Blue Lightning has a reputation as being the best shoot 'em up ever written for the Lynx handheld machine. This title completely rewrites that game to encapsulate the power of 64-Bit CD. But, this Blue Lightning is even more playable than its predecessor.

BATLEMORPH

Every Jaguar gamer will be familiar with the smooth, slick playability of Cybermorph - the first ever 64-bit game. But as with many things the extra storage space offered by CD and the experience of the developers has allowed them to surpass that with the sequel. Battlemorph is faster, slicker and is crammed full of action.

PLATFORM HEAVEN & PINBALL FANTASIES

BUBSY

Everyone's favourite Bobcat surfaces on 64-bit in a brand new adventure. Level after level of great platform action in many different locations will offer hours of fun for all of the family and a real challenge to experienced gamers.

TINY TOONS

Featuring many of your favourite cartoon characters, this platformer has excellent true colour backgrounds and brilliantly drawn and animated characters from the Tiny Toons series. It also features an addictive and original gameplay.

ZOOL 2

The Ninja from the nth dimension is here in the 64-bit dimension. Everything that ever made Zool the top selling platform character of the last 2 years is here and more. Great soundtrack, colourful backgrounds and the usual hellish addictiveness marks this down as a classic.

PINBALL FANTASIES

An excellent Pinball game, 21st Century's Pinball series that started with Pinball Dreams has now reached fantasies proportions. Four rocking tables that'll keep every Pinball dreamer fascinated for hours. This is a fantastic simulation of a great pastime.
